

Math 171A Daily Archive Sept 2, 2009

Prof. Rafalski is desperate to start talking about functions.

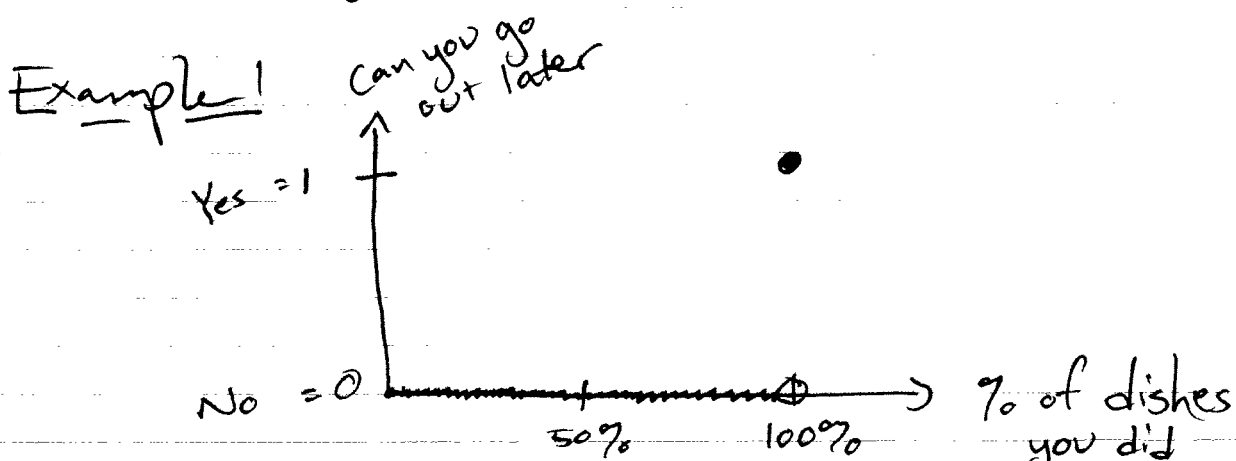

① Prof. R went over the syllabus.

Especially important:

- Go to the website regularly
- Go to office hours regularly

② Functions...

...are everywhere! Here are two examples:

Example 2

Input

Location
in the
classroom

Output

Intensity
of light
at that point

Next time, we will start learning about
the simplest functions...
